We M/s Bonatrans India Pvt Ltd worked with MURPHY EXPO for IREE (India Railway Equipment Exhibition) 2019 at Aerocity, New Delhi for Design and Fabrication of our Booth.

This was the first time we have worked with them and it was a great experience. The first impression we got about this company was that they were subtle in their approach and not very pushing like other vendors. They were very prompt in their response and actions.

Being an outstation vendor for us, they delivered their work very well in time and exactly as per our requirement. With great keenness to work and satisfy their customers, Murphy Expo has become a preferred vendor for all our exhibition activities going forward.

Wish you the very best in all your upcoming projects and look forward to working with you again.
