DATE: - 8th January, 2018**TO WHOM SO EVER IT MAY CONCERN**

We have been working with Murphy Expo for the last 6 years for various events.

We find that right from design through execution and support they are meticulous in their work. We have been able to evolve quite a few ideas with the help of Murphy Expo which have included interesting stand construction mechanisms and product display ideas.

It has been a pleasure working with you and your team for your professional and at the same time flexible approach in accommodating our ideas/requests at any given point of time.
