Dear Ranjit,

We, **Yokogawa India Limited - Test and Measurement Business Unit** worked with **Murphy Expo** for EV India 2021 at India Expo Centre, Greater Noida, New Delhi for designing and fabricating our booth.

With the utmost dedication and approach, Murphy Expo successfully delivered an amusing booth according to our requirement.

We extend our sincere thanks to the innovative design and truly impressed by the quality of work offered to us. It was very much to our satisfaction and highly appreciable.

We wish you the very best in all your upcoming projects and looking forward to working with you again.

Best Regards,

**Harshajit**
